Terrific Testing Teamwork

As part of their Design and Technology project, Owl Class invited Hedgehog Class to test the moving picture book pages they had designed and made. The children followed the design process by first creating design criteria and developing prototypes before producing their final page. Hedgehog Class gave valuable feedback and demonstrated excellent testing skills, helping Owl Class evaluate their products.

Thank you Hedgehogs!

The Incredible Years

The Incredible Years® Series

Evidence-based Parenting Programs

Evidence Based Early Intervention programme for parents and carers in small groups led by Family Hub Coaches who are trained professionals. For Families with children who present with social, emotional and developmental issues including conduct, ADHD, learning delays and internalising problems.

We aim to reduce stress, increase parental confidence and positive parent with child interaction using strategies with play, behaviour, modification, emotional wellbeing and boundaries.

**For parents and carers
of Children aged 3–6
years**
